Altar and Ring

A Wedding-Day Souvenir

Compiled by G. B. F. HALLOCK, D.D.

Nothing to equal it at the price. Printed on heavy enameled book paper. Pretty gold title design on cover. Size $6\frac{1}{2} \times 7\frac{1}{2}$.

Not a mere jumble of poetry: it has an idea running through it; it begins with suggestions on courtship, then the ceremony, then the congratulations of friends, etc. The poems celebrating the all-important occasions appeal to heart and mind alike in words of tender sympathy and counsel for the newly-wedded pair.

It is a gem within and without. Every single selection is a literary jewel. The whole of the get-up of the book moveover—the printing, the binding, and the cover,—is dainty and effective.—Rev. A. H. Huizinga, D.D.

The Ministry to the Congregation

By JOHN A. KERN, D.D. Cloth, 551 pp. \$2.00.

Special Price, \$1.50, prepaid

The 36 lectures in this volume represent the homiletical instructions given in the Biblical department of Randolph-Macon College. It sets forth in lucid, attractive, and forceful chapters the true aim of the pulpit, the necessary personal qualities and attainments of the preacher, the various methods of his work, and the ultimate source of his success.

"No work of homiletic instruction of recent years contains more comprehensive and valuable teachings than this volume."—*New York Post*.

Christianity and Science

A Series of Lectures

By A. P. PEABODY, D.D., LL.D., of Harvard College. 12 mo., 369 pp. \$1.75.

"One of the best books we have read in a long time,—a manly, candid, noble, reasonable defence of the Christian faith. We do not see how any thoughtful person can read it in vain. Dr. Peabody plants himself fairly on the very postulates of scientific men, and proceeds to show how all that they claim for true science is fulfilled in the religion of Jesus."—*Illustrated Christian Weekly*.

Christianity and Positivism

By JAS. MCCOSH, D.D., LL.D., Pres. Princeton College. 12 mo., 370 pp., \$1.75.

Special Price, \$1.25, prepaid

"The thinking is generally so clear, and the style so animated and luminous, that any person of average intelligence and culture may understand and enjoy the discussion; and no such person who has begun to read the work will be likely to rest satisfied till he has finished it. This book grapples directly with the vital questions. Every reader must admire its fairness."—*N. Y. Independent*.

Concessions of Liberalists to Orthodoxy

By DAN'L DOCHESTER, D.D. 344 pp., \$1.50.

Special Price, \$1.00, prepaid

This work was originally prepared as a course of lectures, and was delivered before the School of Theology of Boston University. It is worthy of all commendation for the extensive research shown by the author, and the presentation of the three cardinal topics: The Deity of Christ, the Atonement, and Endless Punishment.

"A rich army for offensive and defensive warfare against theological error."—*Religious Herald*.

"The doctor's style is singularly pure and candid, and the diction and dignity, scholarship and research is manifest in every page."—*West. Chris. Advocate*.

Voices of the Soul Answered in God

By JOHN REID. 374 pp., 4th Edition, \$1.50.

Special Price, \$1.00, prepaid

The soul needs a way to reach God, a way to become holy, a way to become happy. Hence the book is divided into three parts; it shows how the wants of the mind can be met in a Redeemer, Restorer, and Satisfier. Meditation must come first, then restoration, then satisfaction.

"That the soul of man can find its hopes realized, its want satisfied, its fears quieted and its measures filled in God alone, is the leading thought of this calm and powerful book. The presentation is most serious, original and suggestive."—*N. Y. Observer*.

Footprints of Sorrow

By REV. JOHN REID. 12 mo., 173 pp., \$1.25.

Special Price, \$1.00, prepaid

Not a devotional book, altho veins of devotion are found in it. It does not strictly relate to the afflictions of man, to piety on its sombre side, or to the absolute gloom of grief. It rather calls attention to certain phases of sorrow; giving shape to our consciousness upon the subject, and seeking to impress the mind in a way that seems right.

"The author considers his subject under all its aspects, first showing the source of sorrow, then the varieties of form it assumes, and its benefits and consolations."—*Christian Intelligencer*.

Pivot Words of Scripture

By REV. PHILIP B. POWER, M.A. 353 pp., \$1.50.

Special Price, \$1.25, prepaid

A pivot being a small point on which something else turns, the title of this volume seems to be very descriptive of those little words of Holy Scripture upon which turns the actual interpretation of a passage, and to which we are indebted for some of the most powerful teachings of God's word, whether they relate to His mercy or His wrath, as in cases of "for," "through," "yet," "then," "but," "and."

"It is pointed, crisp, fresh, and dealing with live issues."—*Christian World*.

Christ and His Religion

By REV. JOHN REID. 12 mo., 311 pp., \$1.50.

Special Price, \$1.00, prepaid

Not an ingathering of threadbare suggestions, but a mine of fresh nuggets within the reach of all. There is a combination of depth of thought and simplicity of expression.

"Keen and clear conception of truth mark this volume. The author is a man of thought, and his calm and well-balanced views give a charm to his writing. There is strength of truth in every page."—*Christian Union*.

WHEATON COLLEGE

WHEATON COLLEGE, Wheaton, Ill., a national institution of unique character, this semester has an enrollment of 950 in the college department—150 more than entered a year ago. Classrooms and laboratory facilities have been made ready for 1,000 students; the Conservatory of Music and the Academy have been improved; the faculty has been strengthened and enlarged; and several new courses are to appear in the curriculum this fall.

TO combat the present-day trend of teaching economics and social science, the College is introducing a major in the field of Business Administration, which will be taught on a sound Christian basis. The offerings in the field of Political Science are also being increased.

STUDENTS are attracted from every part of the world, and from every group of evangelical Christians; 42 states in these U. S. and 17 foreign countries are sending their sons and daughters to be trained in spirit, in mind, and in body in this College that has for its

motto, "For Christ and His Kingdom"—this strong school where solicitous fathers and mothers may realize dividends on the prayer of the Psalmist (Psalm 144:12). Thirty major Christian denominations contributed young men and young women to Wheaton's classic halls last year.

WHEATON COLLEGE is a challenge to every believer in the Son of God. Its needs are obviously not its own, but those of hundreds and even thousands of young people who seek college degrees, and pre-professional training apart from the adroit rationalism and communism which are infecting American college and university, and against which the United States Government has recently protested to Soviet Russia.

THE heroic stand of President Buswell and the College in the field of Christian education is common knowledge. They have come to the kingdom for such a time as this. Wheaton College, after 75 years in the small college field, has moved up to the River Jordan; the promised land of a national university "For Christ and His Kingdom," where thousands of young men and young women may be trained in and for Christian citizenship, lies just over the river.

DR. KEYSER'S BOOKS

ALL BOOKS SENT PREPAID

A System of Christian Evidence

Sixth Edition. This work is a thoroughgoing treatise on Christian Apologetics. It is evangelical in character and spirit, and cogently upholds the complete inspiration of the Bible and the plenary faith of the Gospel of Jesus Christ. No important points in the system are omitted or slighted. Send in your orders promptly. **\$2.25.**

A System of Natural Theism

Second Edition. In these days of materialistic and mechanistic science and philosophy this book is certainly opportune. It meets the needs of students, teachers and other thinkers who are in search of a rational basis for the existence and beneficent character of God. **\$1.35**

A System of General Ethics

Fourth Edition. This is a work of what might be called *stalwart* ethics. It upholds the principles of true morality, never blurs moral distinctions, and presents the Ultimate Source of Right. The various defective systems of morality are examined. **\$2.25.**

A Handbook of Christian Psychology

In this work (also well adapted for a textbook) the author has done a real service for both Christianity and Psychology. He derives a system of psychology from the Bible, and then shows that it accords with the scientific presentation of mental data and experience. **\$1.50.**

A Manual of Christian Ethics

The moral teaching of Christianity is here vividly set forth and upheld. The only source of the truly moral life is faith in Christ and the regenerated heart. This work is used as a textbook in many schools. **\$1.25.**

The Philosophy of Christianity

It is doubtful whether a more constructive philosophical treatise in favor of evangelical Christianity has ever been published. The adequacy of the Christian World View is convincingly maintained and the inadequacy of opposing systems is penetratingly exposed. The material is arranged for class, room purposes as well as for intelligent general reading. **\$2.25.**

Man's First Disobedience

How did sin gain entrance into this world? Why was it permitted to mar God's fair creation? What were its effects on the natural realm and the world of mankind? How will it finally be dealt with? Above all, is the Biblical account (Genesis III) of the origin of sin adequate, scientific and reasonable? What about the forbidden tree? What about the invigiler in the guise of a serpent? **35 cents.**

The Conflict of Fundamentalism and Modernism

This book tells you just what you want to know—what the present controversy in the church is all about. It points out clearly why the disputing parties cannot come together. It explains the position of the Modernist, then that of the Fundamentalist. Paper cover. 36 pages. **30 cents.**

FRANK J. BOYER, Publisher, Reading, Pa.

"Glendale Presbyterian Church has Wheaton College on its budget, thus expressing faith in its scholastic standing and fundamental Christian position. As pastor of this, the eighth largest Presbyterian Church of the nation, I endorse unqualifiedly this 'second to none' among Christian colleges in this country."

REV. W. E. EDMONDS, D. D., Pastor
Glendale (Calif.) Presbyterian Church 2N

"Unqualifiedly"—

ONE of the sources of the financial strength of Wheaton College, under God, is the almost universal and unqualified approval of lovers of the Book throughout this and other lands. Because Wheaton has always stood sanely for the right things, she still moves forward even in times of economic uncertainty.

A life annuity contract with Wheaton College does not fluctuate in value; cannot become lost, attached, or garnished; is burglar proof, because worthless in other hands; and yields elderly persons a higher rate of return than any other first-class security. Write at once for full details.

A frank treatise by this popular author on Art as that portion of man's work which is inspired by the love of beauty. Not all the beautiful actions of men can be called artistic. SPECIAL OFFER. PREPAID. \$1.00

Sermons and Outlines of Sermons and Addresses, by prominent clergymen of Europe and America selected by the Editor with great care. The Christian minister is lacking in research and ill-qualified for his duty who fails to glean and appropriate from every field, with prayerful care all help available. Those who have often traversed the field in search of themes and material, and therefore, whose skill and wisdom in selection is matured, can well render to those of lesser experience wholesome aid. A single suggestion may open in the reader's mind an unexpected fountain of thought from which shall flow healthful reflection and appropriate discourse.

What is Said About the Volume

Covers the entire scope of the service peculiar to Thanksgiving Day. Ripe with suggestions and fruitful with hints and helps, such as may start the student upon a track of his own.—Central Christian Advocate.

A real aid. It suggests subjects and their treatment.—*Christian Standard.*

Thoroughly practical.—Lutheran Observer.
Able, evangelical and edifying.—St. Louis
Presbyterian.

Very suggestive to all preachers, and particularly helpful to young men.—Dr. J. W. Hamilton.

Wheaton College Academy

THERE are few conservative Christians who have not heard of Wheaton College, but it is not generally known that there is a preparatory department in connection with the college which gives a four-year high school education with the same distinctively Christian standards that the College has maintained for seventy-five years.

The Academy is fully accredited and its graduates can enter all colleges and universities that accept high school certificates. In addition to this high scholastic rating, and far more important, is the development of a Christian personality and character by building up a faith in God's inspired Word.

All of last year's graduating class publicly testified to the change this teaching had made in their lives, and a father from Long Beach, California, sends these unsolicited words: "I am pleased with my daughter's spiritual surroundings and development. I think her going to Wheaton is an answer to prayer—I should rather she would know and love the Word of God than graduate with highest honors from the greatest school in this country or any other."

A well-balanced program of extra-curricular activities keep the young people from missing the worldly amusements which are thought so necessary for a good time, and many parents are sacrificing in order that their children may attend a school where plenty of good, wholesome activity takes the place of card-playing, dancing, and the theater.

The Academy boys and girls have separate and well supervised dormitories. Full information may be received by addressing inquiries to the

THE NEW CHAIN-REFERENCE BIBLE
truly a Bible plus a Biblical Library in one volume

(THIRD Improved EDITION)
(EDITED BY REV. F. C. THOMPSON, D.D., PH.D.)

Not an ordinary Reference Bible with the usual so-called "Helps." This is the only work of its kind in the world. New! Different! Better! And of course only this Bible offers the famed Numerical Chain Reference System, "the greatest development in Bible Helps for a

generation." No other Bible is so closely attuned to this progressive, busy age; no other gives the Bible teaching on so many new subjects of every day interest; no other offers as many as over 100,000 references analyzed and classified according to thoughts in the verses. Only in this work will you find the great truths of the Bible taught by contrast. ENDORSED BY LEADERS

No Bible has ever before won the praise of so many renowned Bible students and workers. We can almost say, "Name an outstanding minister of any denomination, and we'll show you a testimonial from him!" Evangelists, scholars, and editors join the ministers in praising the New Chain Reference Bible, because they have found it, in actual use, to be by far the most valuable and practical working Bible ever published.

DR. KEYSER'S BOOKS

Dr. Keyser's Books are positive, evangelical, fearlessly apologetic but always fair to the opponent

ALL BOOKS SENT PREPAID

A System of Christian Evidence

Sixth Edition. This work is a thoroughgoing treatise on Christian Apologetics. It is evangelical in character and spirit, and cogently upholds the complete inspiration of the Bible and the plenary faith of the Gospel of Jesus Christ. No important points in the system are omitted or slighted. Send in your orders promptly. \$2.25.

A System of Natural Theism

Second Edition. In these days of materialistic and mechanistic science and philosophy this book is certainly opportune. It meets the needs of students, teachers and other thinkers who are in search of a rational basis for the existence and beneficent character of God. \$1.35

A System of General Ethics

Fourth Edition. This is a work of what might be called *staunch* ethics. It upholds the principles of true morality, never blurs moral distinctions, and presents the Ultimate Source of Right. The various defective systems of morality are examined. \$2.25.

A Handbook of Christian Psychology

In this work (also well adapted for a textbook) the author has done a real service for both Christianity and Psychology. He derives a system of psychology from the Bible, and then shows that it accords with the scientific presentation of mental data and experience. \$1.50.

A Manual of Christian Ethics

The moral teaching of Christianity is here vividly set forth and upheld. The only source of the truly moral life is faith in Christ and the regenerated heart. This work is used as a textbook in many schools. \$1.25.

The Philosophy of Christianity

It is doubtful whether a more constructive philosophical treatise in favor of evangelical Christianity has ever been published. The adequacy of the Christian World View is convincingly maintained and the inadequacy of opposing systems is penetratingly exposed. The material is arranged for class, room purposes as well as for intelligent general reading. \$2.25.

Man's First Disobedience

How did sin gain entrance into this world? Why was it permitted to mar God's fair creation? What were its effects on the natural realm and the world of mankind? How will it finally be dealt with? Above all, is the Biblical account (Genesis III) of the origin of sin adequate, scientific and reasonable? What about the forbidden tree? What about the inveigler in the guise of a serpent? 35 cents.

The Conflict of Fundamentalism and Modernism

This book tells you just what you want to know—what the present controversy in the church is all about. It points out clearly why the disputing parties cannot come together. It explains the position of the Modernist, then that of the Fundamentalist. Paper cover. 36 pages. 30 cents.

"Close Contact"—

WHEATON welcomes it; for it only serves to impress upon the honest investigator the uniqueness of her position and of her ideals.

Her 20% increase in 1935 enrollment over the preceding school year, proves this.

In other words, Wheaton is "a school that is different." The athletic field—the study table—the prayer room—and many other factors—all bend themselves to a single purpose: the full rounding out of the Wheaton man's preparation for success.

Wheaton possesses the highest scholastic rating accorded by accrediting agencies to a Class A College. She offers a fully accredited Co-educational College of Liberal Arts; Special Courses, including Pre-Medic, Teacher Training, and Business Administration; a Conservatory of Music; and a fully accredited four-year Academy or Preparatory Course.

The Final Challenge

OUR civilization cannot survive materially unless it be redeemed spiritually. It can be saved only by becoming permeated with the Spirit of Christ and being made free and happy by the practices which spring out of that Spirit. Only thus can discontent be driven out and all the shadows lifted from the road ahead.

Here is the final challenge to our churches, to our political organizations and to our capitalists; to everyone who fears God or loves his country. Shall we not earnestly cooperate to bring in the new day?
—Woodrow Wilson.

If American democracy is to remain the greatest hope of humanity it must continue abundantly in the faith of the Bible.—Calvin Coolidge.

The "Double Cure" of Sin

I DO THINK it clear that if the church today desires to preach the same gospel to the same purpose as the church of the Lord's own age preached, it must be inspired with identically the same faith—that the Master who lived a revealing life and died a vicarious death in Judea nineteen hundred years ago, still survives triumphant and reigning to this hour, ready with omnipotent strength and limitless good will to fight the fight of any struggling man caught in the toils of that enemy whom He Himself encountered in many a weary conflict in this world. The need of the present generation is as sore as that of any other generation for the "double cure" of sin.—*Nolan R. Best.*

Altar and Ring

A Wedding-Day Souvenir

Compiled by G. B. F. HALLOCK, D.D.

Nothing to equal it at the price. Printed on heavy enameled book paper. Pretty gold title design on cover. Size $6\frac{1}{2} \times 7\frac{1}{2}$.

Not a mere jumble of poetry: it has an idea running through it; it begins with suggestions on courtship, then the ceremony, then the congratulations of friends, etc. The poems celebrating the all-important occasions appeal to heart and mind alike in words of tender sympathy and counsel for the newly-wedded pair.

It is a gem within and without. Every single section is a literary jewel. The whole of the get-up of the book moreover—the printing, the binding, and the cover,—is dainty and effective.—Rev. A. H. Huijzinga, D.D.

The Ministry to the Congregation

By JOHN A. KERN, D.D. Cloth, 551 pp. \$2.00.
Special Price, \$1.50, prepaid

The 36 lectures in this volume represent the homiletical instructions given in the Biblical department of Randolph-Macon College. It sets forth in lucid, attractive, and forceful chapters the true aim of the pulpit, the necessary personal qualities and attainments of the preacher, the various methods of his work, and the ultimate source of his success.

"No work of homiletic instruction of recent years contains more comprehensive and valuable teachings than this volume."—*New York Post*.

Christianity and Science

A Series of Lectures

By A. P. PEABODY, D.D., LL.D., of Harvard College. 12 mo., 369 pp. \$1.75.

"One of the best books we have read in a long time—a manly, candid, noble, reasonable defence of the Christian faith. We do not see how any thoughtful person can read it in vain. Dr. Peabody plants himself fairly on the very postulates of scientific men, and proceeds to show how all that they claim for true science is fulfilled in the religion of Jesus."—*Illustrated Christian Weekly*.

Christianity and Positivism

By JAS. MCCOSH, D.D., LL.D., Pres. Princeton College. 12 mo., 370 pp., \$1.75.

Special Price, \$1.25, prepaid

"The thinking is generally so clear, and the style so animated and luminous, that any person of average intelligence and culture may understand and enjoy the discussion; and no such person who has begun to read the work will be likely to rest satisfied till he has finished it. This book grapples directly with the vital questions. Every reader must admire its fairness."—*N. Y. Independent*.

Concessions of Liberalists to Orthodoxy

By DAN'L DOCHESTER, D.D. 344 pp., \$1.50.

Special Price, \$1.00, prepaid

This work was originally prepared as a course of lectures, and was delivered before the School of Theology of Boston University. It is worthy of all commendation for the extensive research shown by the author, and the presentation of the three cardinal topics: The Deity of Christ, the Atonement, and Endless Punishment.

"A rich army for offensive and defensive warfare against theological error."—*Religious Herald*.

"The doctor's style is singularly pure and candid, and the diction and dignity, scholarship and research is manifest in every page."—*West. Chris. Advocate*.

Voices of the Soul Answered in God

By JOHN REID. 374 pp., 4th Edition, \$1.50.

Special Price, \$1.00, prepaid

The soul needs a way to reach God, a way to become holy, a way to become happy. Hence the book is divided into three parts; it shows how the wants of the mind can be met in a Redeemer, Restorer, and Satisfier. Meditation must come first, then restoration, then satisfaction.

"That the soul of man can find its hopes realized, its want satisfied, its fears quieted and its measures filled in God alone, is the leading thought of this calm and powerful book. The presentation is most serious, original and suggestive."—*N. Y. Observer*.

Footprints of Sorrow

By REV. JOHN REID. 12 mo., 173 pp., \$1.25.

Special Price, \$1.00, prepaid

Not a devotional book, altho veins of devotion are found in it. It does not strictly relate to the afflictions of man, to piety on its sombre side, or to the absolute gloom of grief. It rather calls attention to certain phases of sorrow; giving shape to our consciousness upon the subject, and seeking to impress the mind in a way that seems right.

"The author considers his subject under all its aspects, first showing the source of sorrow, then the varieties of form it assumes, and its benefits and consolations."—*Christian Intelligencer*.

Pivot Words of Scripture

By REV. PHILIP B. POWER, M.A. 353 pp., \$1.50.

Special Price, \$1.25, prepaid

A pivot being a small point on which something else turns, the title of this volume seems to be very descriptive of those little words of Holy Scripture upon which turns the actual interpretation of a passage, and to which we are indebted for some of the most powerful teachings of God's word, whether they relate to His mercy or His wrath, as in cases of "for," "through," "yet," "then," "but," "and."

"It is pointed, crisp, fresh, and dealing with live issues."—*Christian World*.

Christ and His Religion

By REV. JOHN REID. 12 mo., 311 pp., \$1.50.

Special Price, \$1.00, prepaid

Not an ingathering of threadbare suggestions, but a mine of fresh nuggets within the reach of all. There is a combination of depth of thought and simplicity of expression.

"Keen and clear conception of truth mark this volume. The author is a man of thought, and his calm and well-balanced views give a charm to his writing. There is strength of truth in every page."—*Christian Union*.

THE Independent Fundamental Churches of America

is a fellowship of Bible believers and groups of Bible believers who, breaking through denominational barriers, are standing together on the great fundamentals of the faith, for mutual help and encouragement. This standing together of those of like precious faith has been brought about by the fact that infidelity in the guise of religion is now in the saddle in so many of the ecclesiastical systems. The VOICE, a live, sparkling Bible monthly, is the official publication of the I. F. C. A. Each issue sounds out the clarion call.

WHO IS ON THE LORD'S SIDE?

In the October Voice, now available, *Earth's Great Tribulation*, one of a series on the Revelation by Wm. McCarrell; "Stirring Up the Nest" or "Is Denominationalism Doomed?" by W. R. Newell; the *From-the-Cross-to-the-Throne* series illustrated by the Old Testament Tabernacle, by T. H. Ballantyne; "Evangelize or Else," "Will America Meet the Fate of Spain?" by W. E. Pietsch; "Why I Left My Church," by a Presbyterian ruling elder. In the prophetic department, *God's News Behind the News*, edited by Russell Taylor Smith, "The Dead Sea Comes to Life"; "Palestine's Rainfall Increased 60%"; "The Jew, the Storm Center of the World"; "What is Ahead, Christ or Chaos?" "World Dictators and World Bondage"; "Mussolini and the Super-man."

Running in each issue: the Young People's Department, a chapter by chapter study of the Whole Bible, especially prepared for use by Young People's societies and Bible classes; missionary news, question box, Sunday School lesson studies, Feathers for Arrows from the Lord's Quiver. ATTENTION SUBSCRIBERS

WITH this issue—January, February, March—we enclose bills for 1937 subscriptions. It requires much labor to write out these bills, and then enclose them in magazine at time of mailing—more time and labor than you may imagine.

You can help us much—if you will not make it necessary to send you another bill.

These \$2.00 renewals mean so much to us. To a subscriber it means \$2.00 a year. To us it means many hundred times \$2.00 to pay for one issue. And we must depend on these \$2.00 renewals to pay the printer each issue. Can you appreciate what this means to us?

Will you cooperate with us by sending your renewal without undue delay? Thank you!

A real aid. It suggests subjects and their treatment.—Christian Standard.

Thoroughly practical.—Lutheran Observer.

Able, evangelical and edifying.—St. Louis Presbyterian.

Very suggestive to all preachers, and particularly helpful to young men.—Dr. J. W. Hamilton.

A Manual of Christian Ethics

The moral teaching of Christianity is here vividly set forth and upheld. The only source of the truly moral life is faith in Christ and the regenerated heart. This work is used as a textbook in many schools. **\$1.25.**

The Philosophy of Christianity

It is doubtful whether a more constructive philosophical treatise in favor of evangelical Christianity has ever been published. The adequacy of the Christian World View is convincingly maintained, and the inadequacy of opposing systems is penetratingly exposed. The material is arranged for class, room purposes as well as for intelligent general reading. **\$2.25.**

Man's First Disobedience

How did sin gain entrance into this world? Why was it permitted to mar God's fair creation? What were its effects on the natural realm and the world of mankind? How will it finally be dealt with? Above all, is the Biblical account (Genesis III) of the origin of sin adequate, scientific and reasonable? What about the forbidden tree? What about the inveigler in the guise of a serpent? 35 cents.

The Conflict of Fundamentalism and Modernism

This book tells you just what you want to know—what the present controversy in the church is all about. It points out clearly why the disputing parties cannot come together. It explains the position of the Modernist, then that of the Fundamentalist. Paper cover. 36 pages. **30 cents.**

Not a Worry in the World

SOMEONE has truly said: "*If you trust, you do not worry; and if you worry, you do not trust.*" Certainly, those who have entrusted their funds to Wheaton College in a Life Annuity Contract do not have financial worries.

Wheaton still stands steadfastly true to the enduring principles of righteousness for which it was founded in 1860.

Favored especially by high educational standards, and by a strategically central location near Chicago, it has progressed steadily in student enrollment, in academic standing, in prestige, and in financial background.

Wheaton today has become a national institution. Its principles, its growth, and its capable management offer the strongest possible guarantee that the future income of its annuitants is assured past any reasonable question.

A well-known authority states it to be a noticeable fact that annuitants live years longer. A contract with the College is fire-, burglar-, fluctuation-, and depression-proof. It imparts to the annuitant a life-long sense of personal security, and the added satisfaction that his funds are already invested in the work of Christian Higher Education — *why should he worry?*

The Bible a High Explosive

THE Bible is a high explosive; but it works in strange ways, and no living man can tell or know how that Book in its journeyings throughout the world has started the individual soul in ten thousand different places into a new life, a new belief, a new conception, a new faith. Those things are hidden until some man, some people, is touched beyond all others by the Divine fire, and the result is one of those great revivals of religion which repeatedly through the centuries have startled the world and stimulated mankind, and which as surely as we are meeting in this hall, will recur again.—*Prime Minister Stanley Baldwin.*

Prayer A Mind Cure

I REGARD prayer as a master mind cure, and personal religious experience as the highest and truest form of psychotherapy. There can be no question that the religion of Jesus, when properly understood and truly experienced, possesses power both to prevent and cure numerous mental maladies, moral difficulties, and personality disorders. It must be evident that fear and doubt are disease-producing, while faith and hope are health-giving; and in my opinion the highest possibilities of faith and the greatest power of hope are expressed in the sublime beliefs of religious experience. The teachings of Christ are the greatest known destroyers of doubt and despair.

The Original Pattern Alone Will Do

WE MUST take no other pattern but the original. Back to Christ, past church and sacraments, past priests and creeds, past Paul himself and the Apostles; we would see Jesus. And if you have stumbled at some of the unworthy copies, go to the first Pattern and Exemplar. We must let no man come between us and the direct heavenly vision. We must take no other pattern but the pattern showed to us in the Mount. We must enter into spiritual communion and learn the mind of Christ at first hand. The branch must abide in the vine, if it would bear the vine's proud fruitage. We must abide in Christ, if we would take on His character and show a true copy of the heavenly pattern, and adorn the doctrine of God our Saviour.—Dr. Hugh Black.
